Yamil,

Checking on the status of the signs. Officer Corona and I talked late last week about the lingering encampments. Our team will be back this week.

The signs are critical to enforcement. In the meantime, we continue to post the area.

(please note the change in subject line of this email thread. I need this to track our many encampments in Recreation and Parks)

Hi Albert,

I wanted to check in on the fabrication of the signs. The park is looking great. I have been calling LAPD hotline to report any illegal activity or tents that may pop up. There is one tent in the sand area outside the fence on Cole Ave and one on Cahuenga by the pool. Thanks again for all your help.
